Nordlys består av 75% Superwashbehandlet Ull og 25% Nylon. Garnet har mange flotte multifarger som egner seg svært godt til strikking av strømper og sjal. Kan også kombineres med Baby Ull som har samme strikkefasthet dersom man ønsker å strikke større plagg. Produsert i Kina.

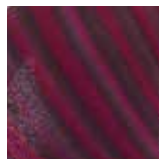

Bildene under er utsnitt fra strikka sjal. Stripene vil bli bredere på sokker eller f.eks. ermer der det er færre masker i omgangen.
